Vision statement

Here at Edleston Primary School we ensure that we provide an inclusive, secure and caring environment where all our children feel safe, well cared for and listened to whilst they learn and grow.

We have a team of outstanding practitioners who are committed to ensuring that every child reaches their potential.

Our values include;

Tolerance

Responsibility

Imagination

Determination

Trust

Honesty

Hope

Respect

Unity

Inclusivity

Our aims are:-

- Our children develop skills whilst fully engaged in the curriculum, are involved in the process of education and celebrate each other's successes.
- Enable children to fulfil their potential, that they have high expectations and are ready for the challenges ahead
- Develop the skills that children need in order to make positive contributions to the wider community
- Promote tolerance, understanding and respect
- Provide opportunities for our children to challenge what they know.
- We promote independent learning
- Encourage critical thinking, building an enquiring mind and curiosity to follow the journey of learning.
- Strengthen confidence and assertiveness and be proud of their achievements
- Promote healthy lifestyles by being active and ensuring positive mental well-being

How we will deliver this:-

- Being a safe, welcoming and friendly school, where friendships are made and learning is fun

- Promote a positive attitude to learning
- Value, support and encourage each other
- Do everything with integrity
- Continuously develop staff and governors
- Develop self-awareness and appreciation of the world
