## Curriculum Information

At Edleston Primary School we follow the Early Years foundation stage for our reception pupils and the National Curriculum for KS1 and KS2 pupils.

We use "Read Write Inc" as our phonics scheme in FS and KS1 for catch up for new pupils to KS2. To supplement our teaching, we use Read to Write for English and White Rose for Maths.

- Our curriculum is based on the needs of our children taking into account the following;
- Promoting reading.
- Ensuring that skills are sequenced and developed from previous learning.
- The local area
- Building cultural capital
- Focus on development and extending vocabulary to improve literacy and language skills.
- Preparing for their adult life.
- Focus on building resilience, supporting mental health and gaining an understanding of environmental issues to protect the future of our world.
