

SCHOOL TRIPS

Dear Parents,

We would like to have a list of parents who may be able to help with supervision on trips out of school.

Some trips will be whole days out which are planned at least four weeks ahead, others may be a local walk to the park which may be planned less than a week ahead.

Could you please either pop into the office or complete the form below if you are able to help at all. We appreciate that there may be some days that you will not be available, so do not worry if you cannot help on every occasion!

Name of parent _____

Telephone number _____

Name of child _____

Would you like to [please tick one];

Help only in your child's class

Help with any class

Are there any particular days that you are not available?

We will be in touch as soon as all the autumn trips are planned. Thank you so much for your help.

Yours sincerely

Mrs R Bagni

Headteacher
