

EDLESTON PRIMARY SCHOOL

Dear Parents /Carers

Next week, we will be taking year 1- 6 to visit Crewe Library. All the children will be going on Monday 2nd, except year 5 who will be going on Tuesday 3rd October. We will be walking to the library so the children will need their coats.

As usual, the children are invited to bring their library cards and there will be an opportunity to borrow books. If your child is not already a member you can complete the form attached to this letter and return it to school by this Wednesday. That way, we can take the forms to the library in advance of our visit and they can make the cards up ready for our visit. Being a member of the library is free and is a great way of gaining access to so many more books that we have in school.

Yours sincerely,
Miss A Simpkin
Class Teacher
