Dear Parents,

This term's E-Safety newsletter is in the form of a magazine. "Digital Parenting". This magazine has lots of practical tips and ideas alongside stories and reports about how to keep yourself and child safe online.

It is available online too and you can look back over earlier copies, if you like.

If you have any questions or are concerned about your child online please pop in and speak to your class teacher or Mrs Oliver in Year 6.

We also have a parents workshop coming up (3:15pm on 30<sup>th</sup> November) which would be great to see as many of you as possible. Please complete the slip below so I can see how many biscuits to buy beforehand.

Yours faithfully

Mrs Oliver
