

E-Safety Newsletter

This half term we have decided to send a questionnaire to parents regarding E-safety. This will help us in school to gain a better understand of the issue we have as a community and how we can put things together to help both children and parents. Remember E-safety is both a home and school responsibility, as children can access the internet 24/7.

It should only take a few moments to complete and the more we receive the clearer a picture of our school we will gain. Every completed questionnaire will receive a class dojo and the parents will be entered into a prize box, where one will be picked out to win a box of chocolates!! All questionnaire to be in school by 31st January 2018 please.

Each questionnaire will be used for school information only and will be confidential. We will not share details or pupils names etc. However we might share the overall data collected as a staff to help inform us of areas to improve. We will also send out the information in the next newsletter to parents.

If you have any questions or concerns about the questionnaire please fell free to speak to your class teacher or myself, Mrs Oliver (Computing Lead).

Thanks for your continued support

Mrs Oliver
