

TIME TO CELEBRATE OUR THREE AWARDS!!

- Edleston Primary School has been awarded the **School Games Silver Award**. Here are a few of the activities that we do that has enabled us to achieve this award; we track our pupil's participation in school games, we give opportunities for our less active children to take part in physical activities, we take part in competitions within school and with other local schools and we have completed the Inclusive Health Check Tool. A big thank you and well done to all the staff and children.

- The review concluded that Edleston Primary School meets the AcSEED criteria for emotional wellbeing and mental health support, and has therefore been accredited with **The AcSEED Award**. Congratulations! The board were particularly impressed with the emotional support we give our children through the following; KiVa, a wide range of wellbeing educational approaches and resources, targeted 1-1 programmes, good communication of results from questionnaires, whole staff training, regular workshops and using a range of outside agencies.

- We have also been awarded the **Bronze Self Care Award** through the NHS. The judges were particularly impressed because we have self care champions in our school and we have given information to parents during our recent parents' evening in October.

We have recently put in a lottery bid for an outside gym, which if successful, will go on the grass area near the big playground. We will hear about this hopefully some time in January. Fingers crossed!

- Look out for our letter regarding our Celebrating Differences day on Thursday November 29th.

WELL DONE EVERYONE AT EDLESTON!
