

Dear Parents,

We are having a big push on reading this year and encouraging the children to read whenever they can!

On the playground, between the Y4 and Y5 classrooms, there is a white book stand. If your child has any books that they no longer want could they please put these books in the stand.

Children will be able to read these books during break and lunch times in our soon to arrive pop up tents!

The library will be open every Friday lunchtime for children to choose a book to read at home. This will be run by some of our amazing Prefects [Alexandra, Graciella and Grace A]. We would like to open the library one morning each week before school for parents to use with their children. If there is a parent who would be willing to run this for us we would be very grateful. Pop in and see me if you are interested. It would be from 8.45-9.00 on a day of your choice!

Thank you!

Yours sincerely,

Mrs R Bagni
