

Edleston Primary Parent Survey April 2019 Feedback

Thank you for taking the time to complete the parent survey and sending your questions to the Parent Governor Drop In sessions last term, all the results have been shared with staff and the Governing Board.

Attached are the results from the survey.

Along with the questions and suggestions from the Governor Drop in sessions, the Governing Board and School have worked together on the top themes.

What we have done so far.....

School hoodies for year 6, we are pleased to report that the school have contacted the current year 6 parents to ask if their child would want like an end of primary hoody and to ask if parents would be willing to contribute towards the cost.

Year 6 Project Homework is regarding a year 6 final trip, staff will then review suggestions with the children.

PTA Events

Staff do hold movie nights, bingo, cake sales throughout the year but we do not currently have a PTA. In order to have a PTA we need parents who can volunteer to meet at school and help arrange and host events alongside staff, if you wish to express an interest in being part of the PTA please email me at chair@edleston-Cheshire.sch.uk.

Bike rack introduction

School have purchased a small bike rack, can parents please ensure any child using a bike to school wears a helmet for safety reasons. No exceptions.

Rewarding Bad Behaviour

Comments were made that school seems to place more emphasis on rewarding improvement in poor behaviour than in rewarding children who consistently demonstrate good behaviour. Whilst it is true that we appear to spend a disproportionate amount of time on poor behavioural issues, it is necessary to do so in order to attain a consistently higher standard of behaviour throughout school. All children who display any form of good behaviour are rewarded in some way and good behaviour is always acknowledged openly so that everyone can see that there are benefits to being well behaved. Children are their own best critics and this can be seen when Head Boy/Girl, Prefects or members of the School Parliament are being considered. Peer children will always nominate/support each other where good behaviours are consistently shown. Similarly, children, with guidance from their Class Teacher will always choose someone with good behaviour to be their KiVA Representative. Further examples of how good behaviour is rewarded can be seen each week when a child in each class is named as Worker of the Week; in addition to this, the Head Teacher names a child who overall merits special mention weekly. Children are also encouraged to volunteer for "Famous on a Friday" this is where children stand up in assembly and talk about themselves and take questions from their peers. Children's positive attitudes are recognised on a daily basis by their

respective class teachers who award 'Dojos' and by writing positive comment of encouragement in their workbooks

We ask all parents to support the school in nurturing positive behaviour; we all want the best for your child not only through education but by preparing them to be model citizens to help through their adult life.

More School Trips

Every class has a school trip every term, they are based on the topics they are learning about. Trips for this terms are as follows;

Residential trips are every two years.

Year	Place	Date
REC	Imagine That	28th November
Year 1	Quinta	22 nd October
Year 2	Tatton Park	10 th October
Year 3	<u>Blist Hill</u>	26 th September
Year 4	Blue Planet	17 th September
Year 5	<u>Maritime Musuem</u>	11 th October
Year 6	Tatton Park	10 th October

Year 3 visit to Blist Hill (Ironbridge)

Playground markings

Argos @ Sainsburys 150 years in the community project. Playground makeover.
